Electric Bitters.

This remedy is becoming so well known and so popular as to need no special mention. All who have used Electric Bitters sing the same song of praise.-A purer medicine does not exist and it is guaranteed to do all that is claimed. Electric Bitters will cure all seases of the Liver and Kidneys, will remove Pimples, Boils Salt Rheum and other affections caused by impure blood. -Will drive Malariz from the system and prevent as well as cure all Malarial fevers. For cure of Headache, Constiption refunded .- Price 50 cts. and \$1.00 per bottle at Clark O. Proud's. drug store.

YES, Northwest Missouri is "the land of big red applea." Also of wild grasses by adoption, the home of the succuleut blue grass, and in agriculture the garden spot. In the summer it is the land of growing crops, pure air and delightful zephyrs. In the fall, of rich harvests, ucious fruits and native nuts. In the winter of fat herds, full tables and warm firesides. But in the spring, bright happy spring! It is the land of fallow ground and happy, whistling plow-boy. The home of the sweet crab apple blossom of noney suckles, sweet violets, roses, singing birds and murmuring brooks.-Ex.

It is a truth in medicine that the smallest dose that performs a cure is the best. De Witt's Little Early Risers are the smallest pills, will perform the cure, and are the best. For sale by J. C. Philbrick.

"The Company's Husband" is the title of a pleasant little comedy in one act it. Free Trial bottles at Clark O. Proud's. author is Rosemary Baum.

KRUPP AND HIS WORKMEN, Dr. Rainsford will Reply to Suggestions and Criticisms Concerning his Theory for the Reform of the Drink Habit.

Dr. Rainsford, rector of St. George's church, New York, recently suggested a tablishments in the world is the Krupp startling and original method of reformcast steel works at Essen in Germany. ing the liquor traffic. Assuming it proved that in some form or another of the laboring people have been going alcohol is here to stay, and that its use on there for twenty five years, during use cannot be entirely abolished, he canwhich time the number of employes has cluded that the masses of the people increased from 3,000 to 25,000, and, with must have provided for them some their families, from 30,000 to 85,000 per-, means of procuring drink which would not be accompanied by the evil assosaloons. What are we to do, therefore, with the mass of the populace that decountry has been able to make such a them. The sanitary condition was very mand alchel in some shape or other? The answer to this question Dr. Rainsford finds in the fact that amusement, variety, aroused interest are the true and deadliest foes to the drink habit; and he con- of 1893. the American navy.
